AZUL VILLA

A watchtower in the bay of Palma

Mallorca, Islas Baleares

Innovative and bright construction thanks to its large windows that make it fully integrated with its natural environment, providing it with great freshness. A luxurious watchtower with views of the bay of Palma from any of its rooms.

Interior facing the exterior

The main floor has two guest bedrooms with bathrooms en suite, with separate access to the terrace and garden. A living room divided into two rooms, a library with a fireplace and a large living room. Large kitchen open to the dining room with views and direct access to the pool and terraces.

Incredible views

On the upper floor (or first floor), we find a large master suite, all of it with sea views and direct access to the terrace. It also has a second master and a third bedroom, both en suite. This allows you to have a privacy area for the rest of the family. From the master and from the corridor there is access to a garden terrace with a jacuzzi.
