Main Floor

It has two guest rooms with a suite bathroom and independent access to the balcony and backyard. The large living room is divided into two spaces, a library with a chimney and the great saloon. It has an open kitchen to the dining room with direct access to the terrace and pool. It also has a second kitchen, to help maintain the house clean. Also, one small bathroom, lift, two storage wardrobes and an outdoor bathroom.

Top floor and basement

We find a large master suite, a large dressing room that you can arrange to your liking and all with sea views and direct access to the terrace. Across the hall, we find a second master bedroom and a third guest or children's bedroom, both en suite. From the master bedroom and hallway there is access to a garden terrace with Jacuzzi. The large basement has 3 parking spaces and rooms where you can organize your gym, cinema, office, dressing room and a toilet. In this floor there are also the facilities for the laundry room and an adjacent storage room.
