A world of elegance opens up as soon as you walk through the entrance

On the upper floor, a spacious living room with dining area unfolds. Its exquisite architectural details merge with a soft colour palette, allowing natural light to spill deliciously through the large windows. Adjacent to this social space is a modern kitchen, equipped with state-of-the-art appliances, where culinary boundaries are challenged and gourmet creations take shape.

Magnificent interior

Comfort and intimacy intertwine in a perfect symphony. On the lower level, three spacious double bedrooms, each topped with an en-suite bathroom, invite the most exquisite rest and relaxation. These dream suites, with their touches of luxury and opulence, revel in every meticulously designed detail. A second lounge, bathed in an atmosphere of unparalleled elegance, offers additional space for entertainment and relaxation.
