

# APARTMENT AT PONT DE FUSTA

A home full of details

Valencia, Spain

This luxury, new construction apartment has been built in a state-of-the-art new construction estate. It is located in the center of Valencia, in an ideal location since you can access the old town on foot through the Serrano towers crossing the river. The wonderful nursery garden is located a few meters away.

## Quality abundance

With its 110 m2 of living space, this impressive flat consists of three rooms. The master bedroom, a suite with fitted wardrobes, has its own bathroom equipped with a shower. From the spacious living room, you will be able to enjoy the natural light that floods every corner of this impressive property. The panoramic view it offers is simply spectacular, thanks to the absence of buildings obstructing the horizon. If you are a sports lover, you will be delighted to know that the flat is very close to the river, where you will be able to enjoy different sporting activities.

## Taylor-made decor

The decoration of this flat is exquisite. The furniture is perfectly integrated into an ensemble that breathes sophistication and good taste. And to top it all off, the property comes with a large garage space and a 12m2 storage room, so you don't have to worry about lack of storage area. In addition, the property offers public areas such as a rooftop terrace, completely finished with plants.
