Large dimensions. Incomparable luxury.

On the upper floor, there are three complete suites of 30 square metres each, as well as a common room with sofas and lots of light coming in through beautiful skylights and a central glazed patio. From this floor there is access to the large upper terrace, with stunning views over the private pool, dining area and barbecue.

Spectacular choice

The master suite is 120 square metres and has a double dressing room, bathroom with bathtub, study and reading area. The bathroom is spectacular, with a large bathtub and a hydro-massage shower.
