Details

In the details is where its secrets are revealed. Four rooms, one of them a suite with dressing room and office, "Brazilian" style roof made of Grapia wood, stone façade and Angeli wood partitions. A beautiful roof that provides shelter with aged red ceramic tile 'Vila Vella'.

The calm

Surrounded by calm and the mountains, peace is also provided by the basement with a gym and sauna, as well as a well-cared cellar bar with a fireplace. Touching the sky in La Calderona is possible, only if you live here.
