## The best of both worlds

This is a spectacular villa in Los Monasterios, a home like no other, with almost 300 square metres distributed in four spacious bedrooms and four bathrooms, a wonderful kitchen with custom designed island, a dream of a garden and a private swimming pool.

## Avant-garde and classicism go hand in hand

It was completely refurbished in 2020 giving rise to a spacious and bright house. Spacious rooms, open to nature, barbecue area, garage for 3 cars, outdoor storage shed and chill out area with views of the pool and the mountains. The perfect balance between an innovative design and classic elements that provide a familiar charm that captivates.
