A Haven of Peace

This luxurious independent chalet exudes elegance, sophistication, and tranquility in the exclusive and sought-after Montealegre Urbanization in La Eliana, just 17 kilometers from the bustling city center. This property is the epitome of opulence and grandeur, with its broad 1535 square meter plot and 384 square meter built-up area spread across a single floor.

The perfect balance

With its beautifully landscaped gardens and sparkling pool with a filtration system that guarantees crystal-clear water, the property is a haven of peace and serenity on the outside. The chalet also has a basement with a garage and parking, ensuring the safety of one's prized possessions. This property's location is nothing short of ideal, as it is located in the Montealegre Urbanization, just a short distance from the town center and all of its amenities. Supermarkets, schools, metro and bus stations, sports centers, institutes, pharmacies are all easily accessible.
