## Full of light

271 m2 distributed, essentially, in 5 bedrooms, 3 bathrooms and a living room with enviable views and light. Wooden windows, but with the magnificent addition of soundproofing. Through them you can glimpse the tops of ancient trees. Quite a treasure.

## Infinite finishes

It consists of a large kitchen with all the accessories for those who want to live an ode to good food and good taste. With drawers and cabinets that have all kinds of finishes and details to house all kinds of items for kitchen lovers. There's a bar to enjoy an aperitif and a table for 'slow' breakfasts in company or to read the press without looking at the time.
