Mediterranean Elegance

Spanning four meticulously designed levels, Villa Europa beckons with its architectural grandeur. The journey begins with four bedrooms, each accompanied by an en-suite bathroom. The lower level unveils the heart of the home, with a well-equipped kitchen, an elegant dining room and a spacious living room that opens onto an expansive terrace, crowned by an infinity pool.

Luxury living

Every room in the villa is carefully oriented towards the sea, taking advantage of the sun's glare and framing the blue panorama in a symphony of maximum light. Between nature and architecture, together with a careful selection of materials, Villa Europa stands as the pinnacle of style.
