Space, elegance, and comfort

On the main floor, the master suite with en-suite bathroom and walk-in closet becomes a private retreat, accompanied by a double bedroom and a single bedroom that share an equally elegant bathroom. The lower floor features another double bedroom, a full bathroom, and a fully equipped open-plan kitchen that flows into a spacious living-dining area and a welcoming entrance hall.

Prime Location

The semi-basement surprises with an additional bedroom, a versatile room that can be used as a bedroom or living area, a wine cellar, a separate laundry room, and a private parking area. On the lower level, a large garage with space for three vehicles and an exterior annex offer multiple possibilities—whether as a game room, office, or gym. Outside, the villa becomes a true oasis: a private pool, a spacious 280 m² covered terrace, and beautifully landscaped gardens ensure peace and privacy—all accompanied by open views of the Mediterranean Sea.
