Contemporary and unique

This stunning modern villa is unique, with a very original architecture that sets it apart from all others. It has high ceilings, open spaces and a glazed gallery that runs the length of the house. Its large windows of the highest quality Cabañero brand let in the sun, which brings a great luminosity to all the spaces while maintaining all the security.

Designer and high-end equipment

On the ground floor there is a kitchen open to the dining room with top brand appliances such as Bosch, Foster and Pando, and a spacious living room with light grey wooden floors and high ceilings. And in the basement there is a magnificent spa with swimming pool and hydromassage.
