Top floor

Here's the main entrance, with an entrance hall where the stairs and lift lie. There's also the night area with 5 suites (3 double and 2 master bedrooms). The service lift is at the end of the hallway.

Bottom floor and basement

In the bottom floor we have the day area, divided between a lobby with a wardrobe, a guest bathroom, a kitchen area, laundry room, pantry, storage room and bodega. You'll also find a living area with TV and another living area connected to the solarium and the infinity pool. The basement has a bathroom, gym, mixed area, spa, yoga, storage, technical installations and parking.
